

Swift Rebirth Prayer for Ven. Peling Tulku, Rinpoche

ZHAN PHAN **JAM PA**'I CHANG SEM JON ZHING TRA

As a splendid fruit bearing tree of Bodhicitta's *love* that benefits others,

RAB JAM LAB SUM DRE ZANG RAB TU GYE

Your *all-pervasive* excellent fruition of the three trainings is in full bloom,

DRO LA PHAN DANG DE WA'I TER ZOD CHAN

Holder of the terma treasury of bliss and benefit for beings,

LA MA DAM PAI YANG SID MYUR JON SOL

Sublime Lama, may you swiftly take rebirth.

MI THUN NYER TSE'I BAR CHE KUN ZHI NA

By fully pacifying all non-conducive harmful obstacles,

GYAL TEN SANG CHEN JAM LING KHYAB GYUR CHIG

May the great secret doctrine of the Victorious One pervade throughout the world!

This was composed by the Palyul incarnation Pema Norbu on the 30th day of the Horse month in the Fire Ox year (August 2, 1997), at the plea of the devoted disciple Jigme who requested with an auspicious scarf.

Translated by Sangye Khandro and Ven. Lama Chonam

The fourth line was kindly changed by Ven. Khenpo Tenzin Norgay to make this a prayer for the swift rebirth of Ven. Peling Tulku Rinpoche, until a more appropriate prayer can be composed.
